Designed with precision and artistry, the Rayado Collection features exquisite vertical wood grain detailing, creating a rich texture that exudes warmth and refinement. Homeowners and designers can choose between a floating, wall-mounted version for a sleek, minimalist look that maximizes floor space, or a legged version that brings a timeless, furniture-inspired elegance to the bath. No matter the selection, Rayado elevates the bathroom experience with seamless organization, thanks to soft-close drawers and thoughtfully designed interiors that keep essentials effortlessly within reach.

The collection is available in six stunning finishes, each carefully curated to showcase the natural beauty of wood:

- Beached Oak – Light and airy, evoking a coastal retreat
- Walnut Oak – Rich, warm, and timelessly elegant
- Grey Oak – Sleek and sophisticated with cool undertones
- Coffee Bean Oak – A deep, bold espresso-inspired finish
- Chocolate Oak – Dark, luxurious, and refined
- Natural Oak – A classic and versatile choice for any space

With sizing options ranging from 24", 30", 36", 48", to 60", Rayado effortlessly adapts to compact powder rooms and expansive master bathrooms alike, ensuring a perfect fit for any design vision.

Captured in the attached image, the Rayado Vanity in Beached Oak with Legs exemplifies the harmony of organic texture and modern refinement. The soft, natural wood tones pair beautifully with sleek metallic accents and a marble backdrop, creating an environment of tranquility and sophistication. Whether paired with bold architectural elements or styled in a minimalist setting, Rayado is designed to transform the bath into a luxurious sanctuary.

With its timeless appeal, impeccable craftsmanship, and versatile configurations, the Rayado Vanity Collection is more than just bathroom storage—it is a statement of mindful design and modern luxury.
