

Introducing the *FRAME* collection

© WETSTYLE

Using a unique combination of eco-friendly materials in bathroom storage design, the FRAME collection is made in Canada and combines lacquered glass, Canadian powder coated aluminum and accents of natural hardwoods to deliver a designer collection with over 3000 possibilities. Mirror cabinets offer extra deep storage, flush mounted electrical outlets, stainless steel switches and optional LED night light and mirror defogger. Vanities with interchangeable drawer facades and side panels. Available in lengths of 18" to 72".

FRAME, no convenience nor detail spared
