- DC603206R - Right Drain - Three Wall Alcove

### WETMAR BiO Finish

- White Matte (#MA)
- White True High Gloss (#GA)

## NOTES

**IMPORTANT - SHOWER INSTALLATION SUPPLIES:** A 1/4" tile flange will be supplied to comply with the requested position. Installed at the factory to prevent water leakage, this must be placed directly on the partition framing prior to the installation of drywall. For installation, it is important to level the shower receptor in order to ensure maximum drainage.

**DRAIN:** Not supplied, any regular shower drain will fit
